MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Director of Central Intelligence

SUBJECT: CT Program

I don't feel I really understand the CT program. Would you ask Don to give me some paperwork to study up on it--ten pages or so and some tabular, not a book--and then let's schedule a session with the principal managers of it. Perhaps we could do the latter by going down to  an hour or two early on the 23rd of March.
